

PARKING PERMITS

Pittwater Council

Clubs are to apply to the Branch annually for an allocation of Pittwater Council beach parking permits for distribution to their volunteer lifesavers.

The permits are only to be issued to Active Patrol Members and Club Executives who own and drive their own motor vehicles and are not Pittwater ratepayers and have no other way of obtaining permits.

Clubs should at all times ensure that the Parking Permits are allocated using the above guidelines.

A list of names of those active members requiring Parking Permits, their address, membership classification and vehicle registration details should be attached to your request together with a copy of your patrol roster. If the information is not supplied the Council will not issue the stickers until they receive the relevant information.

Clubs may make further applications to the Branch throughout the season to accommodate new members.

Warringah Council

Clubs are to apply to the Branch annually for an allocation of Warringah Council beach parking permits for distribution to their volunteer lifesavers.

The permits are only to be issued to Active Patrol Members and Club Executives who own and drive their own motor vehicles and are not Warringah ratepayers and have no other way of obtaining permits.

Clubs should at all times ensure that the Parking Permits are allocated using the above guidelines.

Manly Council

Manly Council does not allocate Parking Permits for Club members.

Board of Education & Assessment

Sydney Northern Beaches Examiners/Assessors must fill in the parking sticker information as requested on the Board Application form. If a submission from their club has already been received, another sticker will not be issued for examination purposes. (1 sticker per person).

Board of Surf Sports

Sydney Northern Beaches Competition Officials do not receive a parking sticker as the Councils place an exemption from display sticker parking on a beach in the event of a Carnival being held there.
