BACKGROUND INFORMATION

Due to severe weather and surf conditions, the 2020 Surf Life Saving Sydney Northern Beaches Branch Open & Masters Championship scheduled for Saturday February 8th was cancelled.

Only the following events were rescheduled –

- The U15/U17 First Aid Competition was rescheduled and completed in conjunction with the U19 and Opens First Aid Competition at North Narrabeen on Sunday February 9th
- The Lifesaver Relay has been rescheduled to be held at a location yet to be determined on Saturday February 22nd, as this was a State Qualifying event.

REMAINING EVENTS TO RESCHEDULE

The remaining events for the 2020 Surf Life Saving Sydney Northern Beaches Branch Open & Masters Championship events have been tentatively rescheduled to be run between the State and Australian Championships, at a date and location yet to be decided.

The final decision will be made based on several factors including identifying a location suitable to host the events, council approvals, and resources available to conduct the Championships as well as feedback from clubs.

The events that are yet to be completed are as follows -

- All U15, U17, U19, Opens and Masters' Swimming events
- All U15, U17, U19, Opens and Masters' Multi-discipline events
- All U15, U17, U19, Opens and Masters' Craft events
- All U15, U17, U19, Opens and Masters' Beach events
- All Junior and Senior R&R events
- The remaining components of the Champions Lifesaver and Champion Patrol Competition,

Note that there is no change to the Surf Boat Championships which has been scheduled to be run on Saturday March 21st at Queenscliff Beach.

EVENT ENTRIES

Should the above events be rescheduled, there may be changes to members availability to take part in the Branch Championships.

Once a final decision has been made on the date and location of the Championships, the entry system for all the above events will be re-opened, except for the Champion Lifesaver and Champion Patrol Competition (as these events have already started). Members may remove themselves from events, or register themselves for the event, dependent on their circumstances.

Refer to the original event circular for entry fee and eligibility details, Circular 201912-02 - SLSSNB Branch Championships Event Information.

Any changes made from the original entries will be reconciled, and clubs will be notified accordingly regarding any changes to the financials associated with the revised entries for clubs.

The close of entries will be advertised once a final decision has been made on the date of the events.

In the event that we are unable to reschedule the Branch Championships, entry fees already paid will be refunded (for those events not yet started), and any unpaid invoices will be voided.
