Subject:	SLSSNB are pleased to announce the selection of our 2020/2021 Development Squad

Congratulations to the following young members that have been selected in 2020/2021 Surf Life Saving Sydney Northern Beaches Development Squad. The goal of this squad is "to create an integrated pathway for young members to develop skills, meet new friends and have some fun".

Our Branch has an immensely proud history of high achievement and your selection is reward for your results throughout the 2019/2020 competitive season.

We will aim to have a minimum of 3 sessions together as a group and once the government lifts the current COVID-19 restrictions the coaches will communicate all programs via the Team App tool. More information will be sent out soon with information on logistics.

For any question regarding the squad and the program, please contact the Branch High Performance Advisor, Michael Wasley on 0414 971 949.
