HIGH VIZ REQUIREMENTS

Pink Hi-Viz Rash Vests (not supplied) must be worn for all water events. Competitors in faded pink rash vests may be asked by officials to change into a more appropriate quality rash vest. Failure to comply will result in the competitor not being able to compete in the event.

COMMUNICATION

More information will be provided regarding the event via the SLSSNB Surf Sports Team App. Please join the group via your Smart phone to receive updates in the lead up to the event and during the event.

LIVEHEATS AND REGISTRATION

All competitors must wear a LiveHeats Wristband to participate in the carnival. If you are yet to receive one, your club must order one from Branch before the start of the Carnival.

All competitors must have their **LiveHeats** wristband to participate in the carnival and their age group clearly marked on their left wrist or left arm prior to marshalling.

If a competitor has lost their wrist band, they can collect one at the carnival prior to marshalling (Clubs will be invoiced after the carnival).
There is no Competitor Registration required on the day of the event

OFFICIALS

As a Guide, expect that each club will require to provide 1 official per 10 competitors. Note this may change depending on the number of total competitors and rounding. The actual requirement will be finalized once entries close

All clubs are required to supply their allocation of officials for this carnival, as outlined in the officials' appointments rosters.

All competing clubs that are from outside the Sydney Northern Beaches Branch are to provide officials as per published lists on the Officials Nominations web page. These will be based on actual entry numbers.

This is required to ensure the efficient and safe running of the event. Any clubs failing to meet their obligation in either may render their club's competitor's ineligible to compete at the carnival, at the discretion of the Referee.
